Hello!

Since being elected last year, the Albanese Labor Government has been hard at work delivering our commitments to you.

Already we have passed legislation to reduce forecasted electricity price rises, make medicines cheaper, deliver fee-free TAFE places, get wages moving again and so much more.

This year, we're making child care cheaper for families and expanding Paid Parental Leave.

2023 is shaping up to be an exciting year, and I am extremely optimistic about our community's future.

I hope you were able to enjoy some time relaxing with loved ones over the summer break, and I hope to see you out and about in our community soon.

Please do not hesitate to contact my office if I can ever be of assistance.

Fee-Free TAFE

Enrol today in fee-free TAFE and VET courses!

The Albanese Labor Government is delivering 180,000 fee-free TAFE and VET places in 2023.

Our Government is:

- ✓ Addressing skills shortages.
- ✓ Driving growth.
- ✓ Giving Australians the skills that they need to prepare for the jobs of the future.

Under Labor, fee-free places are now available in sectors including early childhood education, aged care, technology, construction and hospitality.

Find out more

Cheaper Medicines

The Albanese Labor Government is easing the cost of living, by making medicines cheaper.

Since January 1, Australians have been paying up to 30% less for prescription medicines on the Pharmaceutical Benefit Scheme.

If you are taking one medication a month you will save as much as \$150 every year, and those with two or three medications will save as much as \$300-\$450 a year.

Our changes mean more people can afford to get the medications they need to stay healthy – without worrying so much about the price.

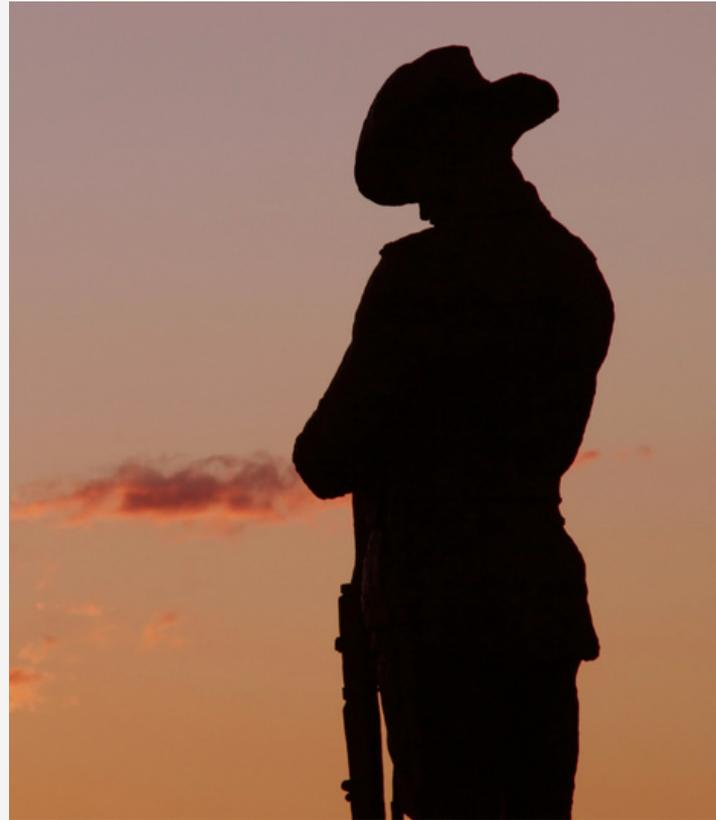

ANZAC DAY

Lest We Forget

I hope you join with me this ANZAC Day, no matter where you are, in taking the time to reflect on the sacrifices others have made to keep us safe. Let the notes of the Last Post hold all of us to the promise: we will remember them. Lest we forget.

Anne Aly MP

What's happening in Cowan

The Albanese Government is delivering for constituents in Cowan!

I'm really proud to announce that we're investing \$2 million to help Greenwood College build new facilities for its swimming pool.

This means they'll be able to run more summer swimming programs and also extend the use of the pool to local community groups. That will have a huge impact throughout Cowan.

I joined Prime Minister Albanese and the WA Minister for Health Amber-Jade Sanderson MLA in Rudloc Medical Centre to announce the opening of expressions of interest for urgent care clinics!

These urgent care clinics will take the growing pressure off our hospital emergency departments.

It's important for me to be able to go into my electorate and have a conversation with people who have been impacted by actions taken in Parliament.

This is why I have regular 'Meet Your Member' events - the most recent was in Beechboro and Kiara! Keep an eye on your letterbox for the next one! I also hold open offices which I announce on Facebook. (Details below)

The Cowan Electorate Office can assist with information about Federal Government services, including:

- Centrelink
- National Disability Insurance Scheme (NDIS)
- Australian Taxation Office (ATO)
- Immigration, citizenship
- Medicare
- Passports
- Pensions
- My Aged Care
- Veterans' Affairs
